1 GALLON PER FLUSH OPTIONS

TOTO

TOILET TECHNOLOGIES

Our 1G toilets offer substantial water savings without wavering on our renowned performance. Using our powerful — yet surprisingly quiet — gravity-fed, hole-free rim TORNADO FLUSH® technology, 1G fully evacuates the bowl with an ultra-efficient one gallon of water. Combined with the extraordinarily smooth CEFIONTECT® glaze that prevents particulates from adhering to porous, ceramic surfaces every inch of your bowl stays cleaner, longer.
