

OUR INNOVATIVE SOLUTIONS

From the beginning, Delta® Commercial has sought out innovative solutions to help people use water in better ways. These smart features, found across our offerings, are helping to improve the lives of more and more people every day in healthcare facilities, educational institutions, public facilities and office buildings.

PROXIMITY® SENSING TECHNOLOGY

With Proximity® Sensing Technology, the entire faucet body acts as a sensor, activating water flow when hands approach and stopping once hands are removed. They are designed

for tough conditions and busy facilities such as hospitals and schools, that require hands-free operation, vandal resistance, reliable operations and ease of maintenance.

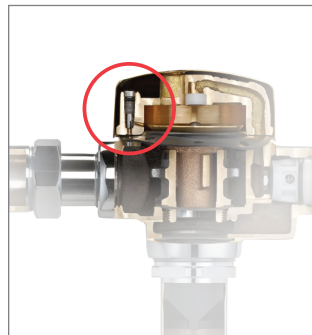

H₂OPTICS® SENSING TECHNOLOGY

Delta® Commercial's H₂Optics® Sensing Technology is one of the most advanced infrared sensing technologies in the industry today for electronic faucets and flush valves. With the

ability to accurately sense the user's distance, regardless of external factors such as light reflection, clothing colour and texture of one's skin, H₂Optics® Sensing Technology provides consistent, dependable results.

EZ ADJUST® SYSTEM

With a simple turn of an external adjustment screw you can set or fine tune flush volumes. There is no need to turn off water supply lines or replace internal parts, such as the diaphragm, to adjust flow rates.

EZ Adjust® Technology allows Delta® Commercial flush valves to have a consistent performance on a broad assortment of fixtures in a variety of public areas.

MULTICHOICE® UNIVERSAL VALVE

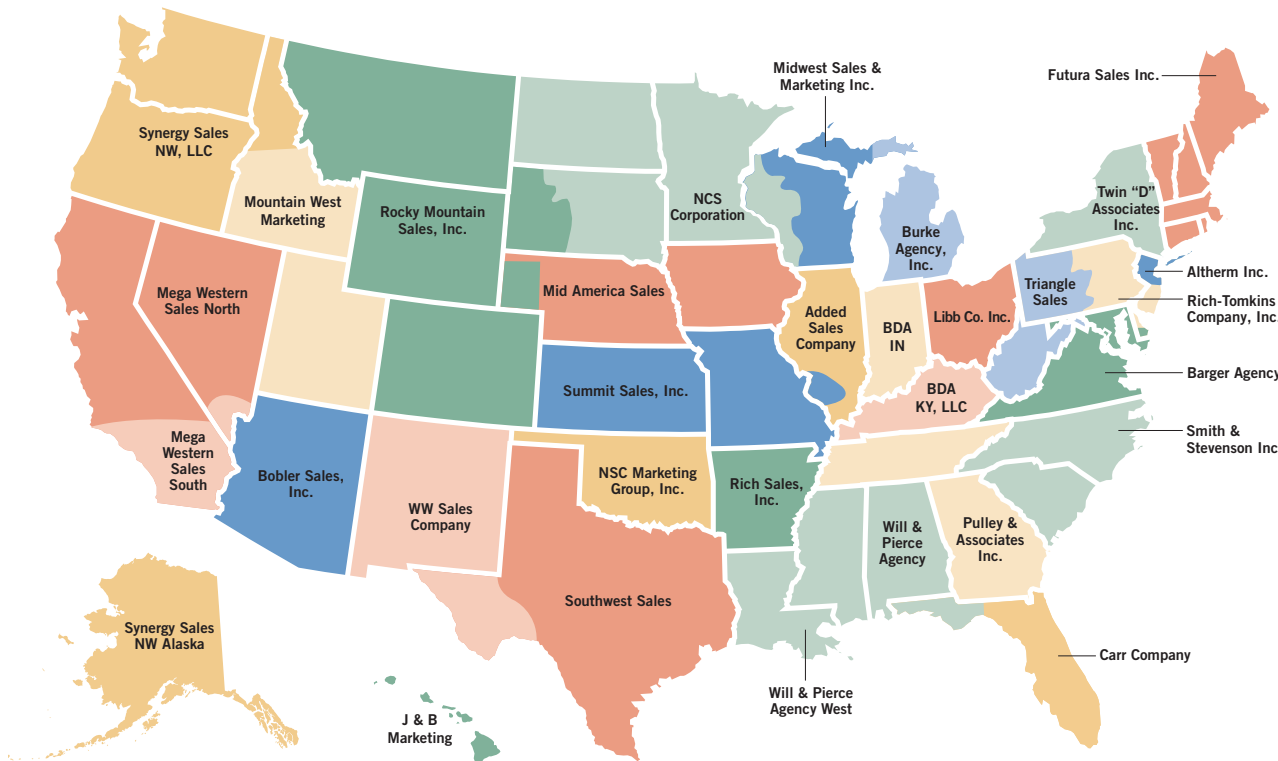

Installing the MultiChoice® Universal Valve first makes it easier to change style, finish and functionality later. Because there's no need to alter plumbing behind the wall, you can save

time, effort and money on mid-construction changes and renovation updates. Purchasing roughs and trims separately allows you to order and install what you need, when you need it.

UNPARALLELED SUPPORT

Delta® Commercial has presence in virtually every major city in the United States. Delta® agencies are staffed nationwide with more than 400 highly experienced sales professionals who live and work in your market to meet your needs at a local level promptly and efficiently. Your local representative will assume responsibility for communication throughout the supply chain, becoming an extension of your business to ease everyday tasks and troubleshoot. Your agency is readily available to assist with customer service, stocked warranty and service parts, provisioning and training, literature and displays. This level of advanced service is brought to you only by Delta Faucet Company.

HEALTHCARE

We believe there is a better way for healthcare professionals and their patients to work with water. With decades of experience serving the needs of the healthcare industry, we understand the unique issues of this ever-changing market. At Delta® Commercial, we provide a diverse range of commercial plumbing products that are ADA-compliant and are excellent for healthcare needs in hospitals, assisted living facilities, medical centers, physicians' offices and more.

FEATURED PRODUCTS FOR HEALTHCARE FACILITIES

SURGEON SCRUB-UP FAUCET
1500TF3370-R35

- Hands-free activation with H₂Optics® Sensing Technology
- Gooseneck spout
- Adjustable sensing range, auto-shut-off
- Surface mount control box and recessed box models
- Hardwire and battery power options
- Laminar flow smooth-end spout options

SURGEON SCRUB-UP FAUCET WITH FOOT PEDAL
54T5437A

- Floormount double foot pedal valve
- Deckmount gooseneck spout
- Laminar flow smooth-end spout options

TWO HANDLE WIDESPREAD LAVATORY FAUCET
23C674-R4

- Vandal resistant handles and spray outlet
- Red/blue indicators
- Gooseneck spout
- Side spray
- CER-TECK® cartridges
- Laminar flow smooth-end spout options

TWO HANDLE CENTERSET LAVATORY FAUCET
21C143

- Vandal resistant handles
- Vandal resistant aerator
- Red/Blue indicators
- Hooded lever handles
- CER-TECK® cartridges

ELECTRONIC LAVATORY FAUCET
590TF1150

- Hands-free activation with H₂Optics® Sensing Technology
- Adjustable sensing range, auto shut-off
- Vandal resistant laminar outlet
- Surface mount control box and recessed box models
- Hardwire and battery power options

ELECTRONIC LAVATORY FAUCET
620TPA3358TR

- Hands-free activation with Proximity® Sensing Technology
- Adjustable sensing range, auto shut-off, metering mode
- Gooseneck spout
- Surface mounted or recessed control box options
- Hardwire operated

ELECTRONIC LAVATORY FAUCET
590TPA0120

- Hands-free activation with Proximity® Sensing Technology
- Cast brass body
- Available outlet options ranging from 0.35 to 1.5 gpm (1.32 to 5.7 L/min)
- Surface mounted or recessed control box options
- Optional 4" or 8" installation

SINGLE HANDLE CENTERSET LAVATORY FAUCET
22C101

- Vandal resistant lever handle
- Vandal resistant spray outlet
- Red/blue indicator
- Ceramic cartridge with rotational limit stop
- Single hole model: 22C601

TURRET BALL VALVE HOSE
W6220VAC

- Deckmount
- Ball valve hose cocks at 90 degrees
- Non-removable lever handle

SINGLE-LEVER KITCHEN FAUCET
100LF-HDF

- 3-hole, 8" installation
- Swivel spout
- Solid fabricated brass body
- Vandal resistant elbow lever handle
- Diamond-coated ceramic disc
- Adjustable handle limit stop
- Model with side spray: 400LF-HDF
- Single hole model: 101LF-HDF

TWO HANDLE CENTERSET LAVATORY FAUCET
21C143

- Vandal resistant handles
- Red/blue indicators
- Less pop-up, no pop-up hole
- Standard aerator outlet
- CER-TECK® cartridges

ELECTRONIC SINGLE HOLE SOAP DISPENSER
DESD-751

- Cast brass body
- Standard 1000 ml refillable soap bottle
- Standard infrared sensing
- Fits on decks up to 2" thick
- Blue LED indicator for low soap
- Plug-in kit available for field conversion

MONITOR® 13 SERIES PRESSURE BALANCE TRIM
T13H152

- Vandal resistant lever handle
- Red/blue indicator
- ADA adjustable mount, hand shower, hose
- ADA compliant grab bar
- Pause, full body spray
- Fluted handle model: T13H153
- Valve and shower head model: T13H132
- Diverter for 2nd outlet model: T13H302
- Diverter and shower head model: T13H333

MANUAL EXPOSED FLUSH VALVE
81T201-42

- Water closet model shown, urinal models available
- ADA lever handle
- Vacuum breaker
- Fixed flush features

ELECTRONIC FLUSH VALVE
81T201BTA-42-MMO

- Hands-free activation with H₂Optics® Sensing Technology
- Water closet model shown, urinal models available
- Body mounted sensor
- Vacuum breaker
- Manual mechanical override
- Battery operated

DECKMOUNT PURE WATER FAUCET
W6635DW

- Gooseneck spout
- Deckmount
- Self-closing, spring loaded
- Full lock open handle

TWO HANDLE SERVICE SINK FAUCET
28C2383

- Vandal resistant handles
- Red/blue indicators
- Spout with top/bottom brace
- Pail hook
- CER-TECK® cartridges

MANUAL URINAL EXPOSED FLUSH VALVE
81T231-05

- Urinal model shown, water closet models available
- ADA lever handle
- Vacuum breaker
- Fixed flush features

ELECTRONIC EXPOSED URINAL FLUSH VALVE
81T231BTA-05-MMO

- Hands-free activation with H₂Optics® Sensing Technology
- Urinal model shown, water closet models available
- Body mounted sensor
- Vacuum breaker
- Manual mechanical override
- Battery operated

PUBLIC FACILITIES | OFFICES

In bustling public facilities and corporate environments where time is of the essence, and proper hygienic solutions are critical, it's important to have durable cutting-edge plumbing fixtures that have aesthetic appeal. Delta® Commercial provides hands-free products with stylish designs in Matte Black or Champagne Bronze® finishes to add that touch of elegance. Our top-tier plumbing solutions create a hygienic and reliable environment perfect for airports, stadiums, retail spaces, government buildings, transportation hubs, and office buildings.

FEATURED PRODUCTS FOR PUBLIC FACILITIES AND OFFICES

ELECTRONIC FAUCET
591TF1250

- Hands-free activation with H₂Optics® Sensing Technology
- Adjustable sensing range, auto shut-off
- Vandal resistant laminar outlet
- Battery operated

TWO HANDLE CENTERSET FAUCET
2529LF-LGHDF

- Solid brass fabricated body
- Vandal resistant wrist blade handles
- Red/blue indicators
- Metal pop-up
- Model with grid strainer: 2529LF-HDF
- Push button handles model: 2507LF-HDF
- Widespread model: 3549LF-WFLGHDF
- Widespread with gooseneck model: 3579LF-WFLGHDF

SINGLE HANDLE METERING FAUCET
87T105

- Metering, slow-close lever
- Single hole
- Vandal resistant ADA lever handle
- Vandal resistant spray outlet
- Model with mixing tee: 87T111

ELECTRONIC FAUCET
621TPA3350-BL

- Hands-free activation with Proximity® Sensing Technology
- Gooseneck spout
- Adjustable sensing range, auto shut-off
- Surface mounted control box
- Vandal resistant laminar outlet
- Hardwire and battery power options

ELECTRONIC SINGLE HOLE SOAP DISPENSER
DESD-751-BL

- Cast brass body
- Standard 1000 ml refillable soap bottle
- Standard infrared sensing
- Fits on decks up to 2" thick
- Blue LED indicator for low soap
- Plug-in kit available for field conversion

ELECTRONIC EXPOSED FLUSH VALVE
81T231BTA-MMO-BL

- Hands-free activation with H₂Optics® Sensing Technology
- Urinal model shown, water closet models available
- Body mounted sensor
- Manual mechanical override
- Battery operated
- Chrome or Matte Black finish

ELECTRONIC EXPOSED FLUSH VALVE
81T201BTA-48

- Hands-free activation with H₂Optics® Sensing Technology
- Water closet model shown, urinal models available
- Body mounted sensor
- Vacuum breaker
- Battery operated

ARCHITECTURAL® DESIGN SERIES

ELECTRONIC LAVATORY FAUCET
810DPA20-BL

- Driftex™ Collection faucet
- Hands-free activation with Proximity® Sensing Technology
- Adjustable sensing range, auto shut-off
- Hardwire, battery or plug-in power
- Available in Chrome, Matte Black, Brilliance® Stainless or Champagne Bronze® finishes

ELECTRONIC LAVATORY FAUCET
820DPA20-SS

- Contrasta™ Collection faucet
- Hands-free activation with Proximity® Sensing Technology
- Adjustable sensing range, auto shut-off
- Hardwire, battery or plug-in power
- Available in Chrome, Matte Black, Brilliance® Stainless or Champagne Bronze® finishes

ELECTRONIC LAVATORY FAUCET
830DPA20-CZ

- Rustica™ Collection faucet
- Hands-free activation with Proximity® Sensing Technology
- Adjustable sensing range, auto shut-off
- Hardwire, battery or plug-in power
- Available in Chrome, Matte Black, Brilliance® Stainless or Champagne Bronze® finishes

CONCEALED FLUSH VALVE (1.6 GPF WATER CLOSET TRIM)
1800D60TR-6

- 1800D60R1 – Rough-In (Not shown)
- Features H₂Optics® Sensing Technology
- Electronic manual override button
- Water closet or urinal models available
- Fixed or adjustable flush volume options
- Hardwire or battery power options
- Available in Chrome, Matte Black, Brilliance® Stainless or Champagne Bronze® finishes
- Available in Q2 2024
