

2026 Price Increase Notification

October 14, 2025

To Our Valued Customers,

Thank you for your continued partnership with Delta Faucet Company. Over the past year, we have remained focused on delivering meaningful innovation, award-winning new products and maintaining industry-leading service.

As we continue our efforts to improve efficiency, we also continue to face rising expenses due to changes in global trade policies in effect prior to September 30, 2025. To sustain the high-quality products and services you rely on, **we will be implementing the following omnichannel price increases, effective January 11, 2026:**

Brand	Weighted Avg. Increase	Products
Brizo®	9.8%	Faucets, showering, roughs, fittings, accessories, repair parts
Delta®	8.0%	Faucets, showering, roughs, accessories, repair parts
Peerless®	4.1%	Faucets, showering, roughs, accessories, repair parts
Delta® Commercial	5.7%	Faucets, valves, showering, roughs, fittings, accessories, repair parts

Please note: We also carefully evaluated our product line and will be **discontinuing the Delta Trillian and Galeon Bath collections from our portfolio on December 31, 2026**. Your Delta Faucet Company representative can help you select recommended replacements if needed. As always, we will continue to support and warranty all discontinued products and provide replacement parts, as available. As a reminder of our return policy, discontinued products cannot be returned.

Updated electronic price files will be available by the week of October 20th through your local Delta Faucet Company sales representative. The files will also be posted on our websites:

- brizo.com in the “Professional Resources” area
- deltafaucet.com in the “For Professionals” area under Product Resources
- peerlessfaucet.com in the “For Professionals” area

Beginning January 11, 2026, the new pricing will be reflected on our brand websites, in our digital price books, and on our Trade Portal (dfcpro.com). Price books, which will include the updated pricing, will be available by Q2 2026.

Orders received prior to January 11, 2026, will receive current pricing. However, to manage inventory and delivery service, we reserve the right to limit monthly order quantities not to exceed 110% of your monthly average for the prior three months’ order history. We also reserve the right to adjust job quotes with a 60-day prior written notification. New MAP pricing is effective as of 12:01 a.m. on January 11, 2026. Enforcement will begin shortly thereafter.

We greatly appreciate your continued business and support. If you have any questions, please contact your local Delta Faucet Company sales representative.

Sincerely,
