RIVET™ WORKSTATION SINKS

Featuring a modern design characterized by clean lines and tightly rounded corners. Space-saving accessories slide across the ledge to create a streamlined and multi-functional workspace directly over your sink.

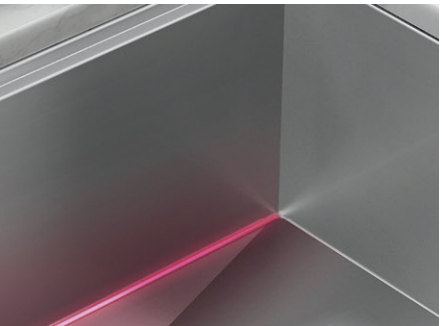

WORKFLOW™ LEDGE

A built-in WorkFlow™ workstation ledge supports sliding accessories, creating a multi-functional workspace for seamless transition between tasks.

TRU16™ GAUGE STAINLESS STEEL

Engineered for long-lasting durability with heavy-duty high-performance TRU16™ gauge steel that stands up to everyday needs with resistance to dents and damage.

EZCLEAN™ CORNERS

Rounded EZClean™ corners on the bottom and side of the sink help prevent messy build-up over time.

DURASHIELD™ AND SATINSHEEN™

DuraShield™ PVD finish application results in a color coating that bonds completely to the steel, greatly improving the durability and cleanability with superior resistance to abrasion, chips, and corrosion. SatinSheen™ finish is easy to maintain, with resistance to rust, corrosion and fading.

NOISEDEFEND™ TECHNOLOGY

NoiseDefend™ technology with extra-thick sound-absorbing pads on all sides of the sink greatly reduces noise and vibration from dishes, running water and garbage disposal.

ACCESSORIES INCLUDED

Sinks include a matching drain assembly, strainer cap, cutting board, roll-up dish rack with removable utensil holder and a non-slip silicone drying mat* that complements the look of your sink while allowing you to prep and clean in one convenient location.

*Only included on certain models.

EVEREST™ WORKSTATION SINKS

The Everest™ Granite Workstation Collection combines highly functional design with an innovative granite composite material that adds elegant style with character to any kitchen.

WORKFLOW™ LEDGE

A built-in WorkFlow™ workstation ledge supports sliding accessories, creating a multi-functional workspace for seamless transition between tasks.

METALLTEK™ GRANITE COMPOSITE

MetallTek™ granite composite offers the look and feel of real stone with resistance to impact and thermal shock. Unlike natural granite, this advanced non-porous material is highly stain and scratch resistant, not prone to fading, and easy to maintain.

EZCLEAN™ CORNERS

Rounded EZClean™ corners on the bottom and side of the sink help prevent messy build-up over time.

DROP-IN OR UNDERMOUNT

Drop-in thick mounting deck with rounded corners and low-angle beveled edge creates a clean beautifully finished look. Undermount installation creates a seamless transition from counter to sink. Both provide easy cleaning.

SLOPED SINK BOTTOM

Sloped sink bottom channels water into the drain, helping prevent pools of water. Optimized angle helps keep your fragile stemware from tipping over. Rear offset drain offers more usable workspace and storage space in the base cabinet.

ACCESSORIES INCLUDED

Sinks include a matching drain assembly, durable woodgrain cutting board, roll-up dish rack with removable utensil holder and a non-slip silicone drying mat* that complements the look of your sink while allowing you to prep and clean in one convenient location.

*Only included with undermount sinks.
